Dear Mr. Pforzheimer:

Thank you so much for your pleasant letter of October 4th. I could only write unfortunately at the last minute and did so on the off chance of getting to see Admiral Hillenkoeter. I expect to be in Washington again in November and will write well in advance for an appointment. I shall hope at that time to have the pleasure of seeing you and Captain McCollum.

With my renewed thanks,

Please believe me,

Very sincerely yours,
